

NSO Diversity, Equity and Inclusion Committee

We have several vacancies on the newly created NSO Ad Hoc Diversity, Inclusion and Equity Committee.

In accordance with NBI 21-03, The NSO Executive Committee has created a Diversity Inclusion and Equity Committee. We seek NSO members who desire to make a difference within our union. The desire is for the committee members to have a deep functional knowledge and background in diversity, equity, inclusion, discrimination, belonging and social justice work.

Are you the NSO member who:

- Is courageous when met with adversity as well as acknowledge personal biases
- Addresses discriminatory practices, cultural differences, and societal issues with humility
- Agrees that this work requires you to purposefully listen, digest all perspectives and collaborate
- Will make a commitment to work towards growth and seek out different experiences

Applicants must also be willing to serve NSO by:

- Committing to attend one or two committee meetings annually. Committee meetings will be two days in length.
- Contributing to “on-line” work outside of official committee meetings throughout the year.
- Working with Local Affiliates and other NSO Committees to assess targeted needs, obtain information, provide assistance, and work in the best interest of our membership.
